

Baptised into Christ Session 6: Love

PRAY: Start with a time of prayer and worship.

REFLECT/ACTIVITY/QUESTIONS: This session is based on our church value 'Love' – we want to know more about Jesus, to live and become more like Him. Share with the person next to you, how did you first come to love Jesus?

READ: Pick from the passages below as appropriate, there are three readings but please pick what you think will work for the group:

Romans 5:6-11 NIV

Romans 6:1-11 MSG

DISCUSS:

Reflect on the video, does anything strike you?

Questions which may be helpful to discuss:

- Matt talked about the people who first received the gospel of Luke. Have you ever thoughts about what these communities looked like?
- Does it encourage you that in those communities were asking the same questions we are asking now?
- Is there a value you find the easiest to act on out of Love, Live Grow, Serve Build?
- What does it practically look like for you to grow in maturity in service to God? What do the steps in front of you look like?

PRAY:

Share prayer requests and close by praying for one another.
