QUINTA

Church Weekend Away

1st – 3rd March 2024

Our Church holiday has been booked at Quinta, a Christian Retreat centre just outside Oswestry in North Wales.

Living together as a community and doing life together is important to us at STJ and STMW. It is one of our key values, and there is no better way to do that than on the weekend away. Both St James in the City and St Mary's Wavertree will be going so it'll be a great chance to deepen relationships between churches.

The weekend will include good food, walks in the countryside, time to hang out, games night, wide games and an onsite indoor swimming pool.

Guest Speaker

We're pleased to announce, Dr Rachel Atkinson, Principal of St Mark's Academy in Coventry as our guest speaker for Quinta 2024. Rachel has a love of theology, teaching and a great passion for the local Church. She continues to teach at a variety of theological colleges

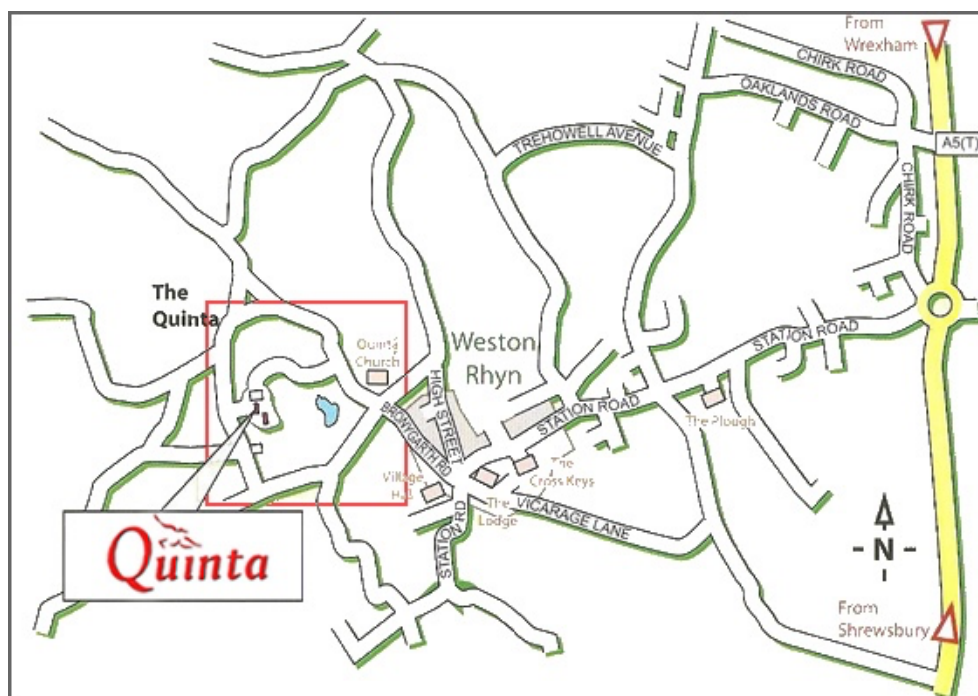

and churches, in biblical studies, leadership, prayer and spirituality, preaching, and mission and evangelism. She holds a Master's degree in biblical studies and a doctorate in ministry, and her new book 'Image Bearers' looks at restoring identity and living our calling.

We will also have visiting leaders to run our STJ Kids and youth groups! More info to come!
