There's good, good soil in my heart, my heart

Bm **G** **D**
There is good, good soil in my heart

The seed that you speak I will treasure and keep

Bm **G** **D**
There'll be good, good soil in my heart

Em **D/F#** **G** **A** **D** } (Last Time)
I've got good, good soil in my heart, my heart, my heart

VERSE

A **Bm**
You won't find me down on the dusty road,

G **D**
Hanging around with the rocks and stones

A **Bm** **G**
You won't find me with the prickly thorns and winding weeds

A **Bm**
I will live in the open space,

G **D**
Where water flows with love and grace

A **Bm** **E**
Following each word you say to me

A **A7**
You'll give me all I need!
