

Burn for You

VERSE

When I see Jesus - King of Kings, what He did to set me free

The Holy Spirit lights a spark in me

And all my friends see my heart on fire, shining with God's love and power

The Holy Spirit lights a spark in them

PRE-CHORUS

'Cause I'm on fire, I'm on fire for Jesus – shining bright

On fire, I'm on fire for Jesus

CHORUS

No fire extinguisher could ever put me out - because

No fire extinguisher could ever put You out – no no no

Eternal flame, unending days

No fire extinguisher will ever put us out, we will burn for you!

BRIDGE

If my heart grows cold,

He will light me up again

If I lose my way,

He will bring me home again

The Holy Spirit lights a spark in me,

Holy Spirit light a spark in me
